

PRODUCT: All VL1000™ Series 230V Luminaires

SUBJECT: AC Line Input Connector - Part Number Change

OVERVIEW

Vari-Lite has made a design change to the Neutrik AC Line Input Connector for the 230V versions of the VL1000™ Series Luminaires. This notice only applies to the 230V versions of VL1000™ Series Luminaires. For complete information, see the table in this notice.

All the 230V versions of the VL1000™ series luminaires manufactured **AFTER July 21, 2008** include the revised connectors. The revised connectors replace all connectors used prior to this date.

Note: When ordering replacement connectors, please use the part numbers indicated in the “[230V AC Input Connector - Parts Replacement Guide](#)”.

If you have any questions as to any aspect of this Technical Notice, please contact Vari-Lite customer service at 1-877-VARILITE or +1-214-647-7880.

WARNING: Any repairs or maintenance to VARI***LITE** luminaires should only be performed by a trained and qualified service technician or at an Authorized VARI***LITE**® Service facility.
